Texas Health and Human Resources Medicaid for Pregnant Women & CHIP Perinatal

<https://www.hhs.texas.gov/services/health/medicaid-chip/medicaid-chip-programs-services/medicaid-pregnant-women-chip-perinatal> Pregnant women might be able to get free health coverage

during their pregnancy through Medicaid for Pregnant Women or the CHIP Perinatal program. Medicaid provides health coverage to low-income pregnant women during pregnancy and up to two months after the birth of the baby. CHIP Perinatal provides similar coverage for women who can't get Medicaid and don't have health insurance. To get Medicaid for Pregnant Women or CHIP Perinatal, you must be a Texas resident. You must be a U.S. citizen or qualified non-citizen to get Medicaid for Pregnant Women.

US Department of Veteran Affairs <https://www.va.gov/health-care/health-needs-conditions/substance-use-problems/>

Phone Hours: 24/7 Phone Number: 800-698-2411. They provide many options for Veterans seeking treatment for substance use problems ranging from unhealthy alcohol use to life-threatening addiction. The services we offer you depend on your specific needs. We offer proven medication options, like:

- Medically managed detoxification to stop substance use safely, and services to get stable
- Drug substitution therapies and newer medicines to reduce cravings (like methadone and buprenorphine for opiate addiction)
- Nicotine replacement or other medicines for stopping tobacco use
- We offer counseling and other therapy options, like:
 - Short-term outpatient counseling
 - Intensive outpatient treatment
 - Marriage and family counseling
 - Self-help groups
 - Residential (live-in) care
 - Continuing care and relapse prevention (making sure you don't slip back into the same substance use problems)
 - Special programs for Veterans with specific concerns (like women Veterans, returning combat Veterans, and homeless Veterans)
- We also offer treatment and support for health conditions that can be related to substance use problems, like:
 - Posttraumatic stress disorder (PTSD)
 - Depression
